# The '42 Hilltopper

... tells the story of the development of Indianapolis' newest high school as observed by its first four-year graduating class. In our second yearbook you will find recorded the events significant of our growth in living and learning together, which we, the seniors of 1942, want most to remember.

## *From morning 'til night*

... we spend our school day in the classrooms, laboratories, study halls, gymnasium, and activity work rooms, where we learn in the democratic way. Here we acquire those principles of honesty, fair play, and good sportsmanship which are essential to American life. Now before the highlights of the year are recorded in detail, come with us on a photo-and-fact tour of Howe High School. ➡

# *This is the way we go to school*

In our eastside school we spend eight or nine periods a day in studies suited to our individual needs.

Since more than half of us are preparing for midwestern colleges, our school curriculum is largely academic, including a number of advanced elective courses in mathematics, English, languages, and science. For the rest there are exploratory and pre-vocational courses in industrial arts, home economics, nursing, library service, commercial art, commerce, and music.

When classes end, we take part in athletics, publications work, club meetings, or play rehearsals, according to our particular interests.

Programs, pageants, plays, parties, dances, and games give us opportunities for self-expression besides adding greatly to our enjoyment of life at Howe.

Guiding Thomas Carr Howe High School is our genial principal, Charles MacKay Sharp, who believes that our school program of studies and activities should lead toward the development of well-rounded personalities.

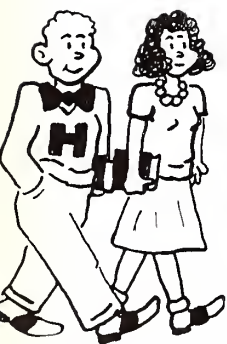

"Don't forget to put that in Monday's bulletin," Mr. Sharp tells Miss Jane Holl, clerk, left, and Miss Virginia Childers, secretary.

"What do you think?" asks Mr. Craig. . . . We spend most of our school day in classrooms.

"Umm, good" . . . Lunch time: when we consume our midday share of vitamins and calories, relax, and learn the latest gossip.

"Oh, you're kidding" . . . Hall lockers provide the space for accumulation of boots, reversibles, texts, et cetera.

"Hail to Thee!" Our Violet Queen approaches the throne on her yearly visit to our Pageant of Youthful Achievement.

"We fight, and Howe!" . . . Enthusiastic, in Hoosier fashion, we cheer our teams to help them do their best.

# We enjoy life at Howe

Here are highlights of a great year.

**Left**—Golden Girl Mary Beth Underwood and Brown Boy Jack "Buck" Buchanan reigned at the Brown and Gold Ball, October 17.

**Right**—Jo Ellen Burroughs and Ian Laing, as Nina and Edvard, sang the leads in the Music Department's operetta, *Norwegian Nights*, November 6 and 7.

**Extreme Right**—First Senior President Gordon Jones accepted from Marilyn Behymer, the first Editor, the first HILLTOPPER, at the Rainbow Ball, May 16, 1941.

**Center Right**—Candidates Kenneth S. Smith, Wm. C. Gordon Jr., and Donald L. Clapp, cast their ballots in the 1941 political campaign. Don defeated Bill in the gubernatorial race.

At the All-Girl Christmas Party, December 18, Santa (Mr. Gooch) asked Ruth Anne Rogers if she'd been good.

Seniors of 1944-45 discovered the joys of shade trees on Violet Hill at the Freshman-Sophomore girls party.

Stage Manager Hal Silver was caught in a reminiscent mood during the performance of *Our Town*.

Suzy Conner, Mary Alys Werkhoff, Betty Van Arendonk, and Melville Weesner were members of the Violet Queen's Court.

**Top**—Members of the mathematics department are: Mr. Fred Lemley, Mrs. Mildred Loew, Mr. Milton Gamble, Mr. Clarence Clayton (head), Miss Anna Suter, and Mr. John Swearingen. Mr. Samuel Kelley is not pictured.

# *We like our teachers, too*

Ask any Howe student what he likes about Howe and one of the first things he'll say is, "The teachers." It seems that there is a bond between our students and faculty that may well be the envy of any other school. This friendly spirit also characterizes the relationship between the members of the faculty. Each department not only works unitedly but co-operates with all other departments.

**Left**—Miss Eva Abbott (chairman), Miss Marthellen Ratcliff, and Miss Helen Allen are the home economics teachers.

**Right**—Members of the commercial department are: Mr. Sherman Pittenger, Miss Margaret Forcht (chairman), Mrs. Ruth Marie Griggs, Miss Elizabeth Melich, and Miss Ellen Jane LaFollette.

**Left**—Science instructors are: Mr. Merle Wimmer, Mr. William Smith, Mr. Virgil Heniser, and Mr. Raphael Wolfe (chairman). Mr. Byron Moss and Mr. William Houk are not pictured.

**Right**—Foreign language instructors are: Miss Hazel Wurster, Miss Mary E. Thumma, Miss Thelma Cooley, and Miss Narcie Pollitt (chairman).

# *Classes of Distinction*

. . . but still no "class distinction" in the lives of Howeites, as you can see by the faces of Sophomore Bob Bowles, Junior Eva Ruth Ham, Senior Bob H. Brown, and Freshman Gloria Backer.

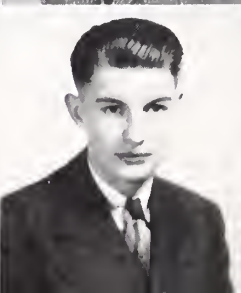

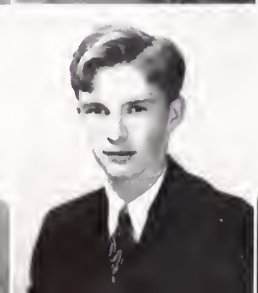

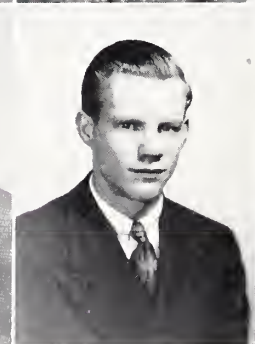

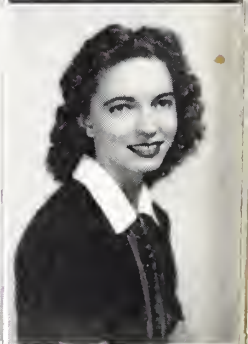

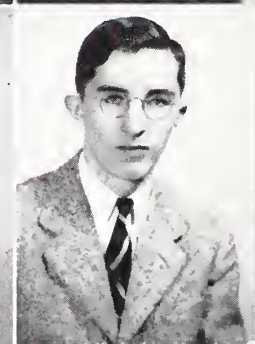

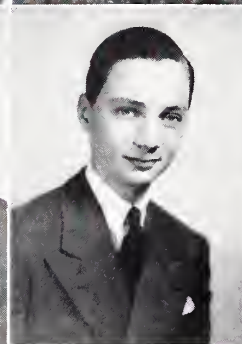

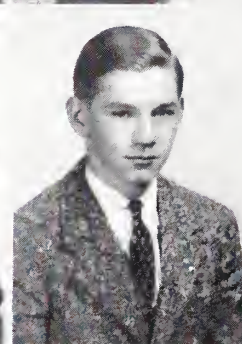

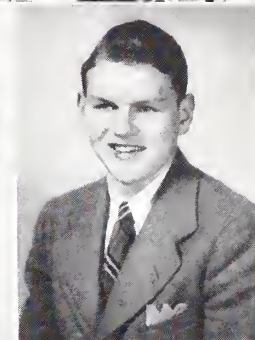

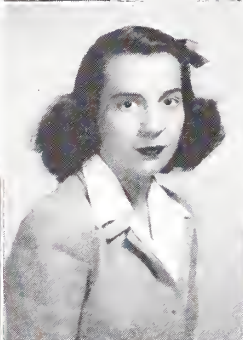

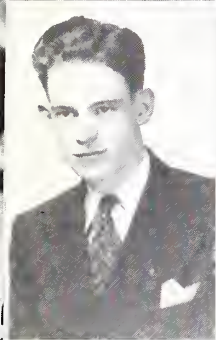

This picture typifies the spirit of friendliness at Howe.

# "When We Were Very Young"

Let's go back four years to the opening days of Howe High School when we were frosh. Can you remember when—gym classes were held in the present projection room—there was only a gravel walk across the campus—automobiles became stuck in the muddy ruts of the school's driveway—lunch was served in the room which is now the library—afternoon dances were big events—the campus was a barren tract of land—our basketball teams had to practice in the Presbyterian Church gym—buses were hired to take pupils to games outside the city—you knew the name of every pupil?

**Upper Left**—Pleasant Run Creek, which bounds the Howe campus on the north, is shown as it appeared four years ago.

**Lower Left**—These forty lads comprised the school's first cross-country team. Because of the great change in appearance of these harriers since their frosh year, you will find the following identifications helpful: *first row*—Carl Taylor, Rolph Anderson, and Coach George P. Farkas; *second row*—Bab Callings, Bab Brashears, Dick Walker, Jim Wade, Roy Abbott, Carl Barnes, Bab Jamersan, Bab Scheidt, Bill Adrian, Bab Myers, Frank Parker; *third row*—Victor Carr, Jim Jahnsan, Bill Pinder, Bill Prater, John Risch, Eddie Andrews, Bill Wise, Jack Jones, Wayne Foster; *fourth row*—Tam Hemelgarn, Lloyd Steele, Bab Hinkle, Jack Milam, Joe Bruno, Floyd Bicknell, Arthur Graham, and Bob Hook; *fifth row*—Dick Eichenauer, Harry Gaadwin, Dick Sharp, George Young, Harald Van Willer, Carl Land Shea, John Minatel, Clarence Carel, and Jack Whited. That's "Tubby," team mascot, you see lying in the foreground.

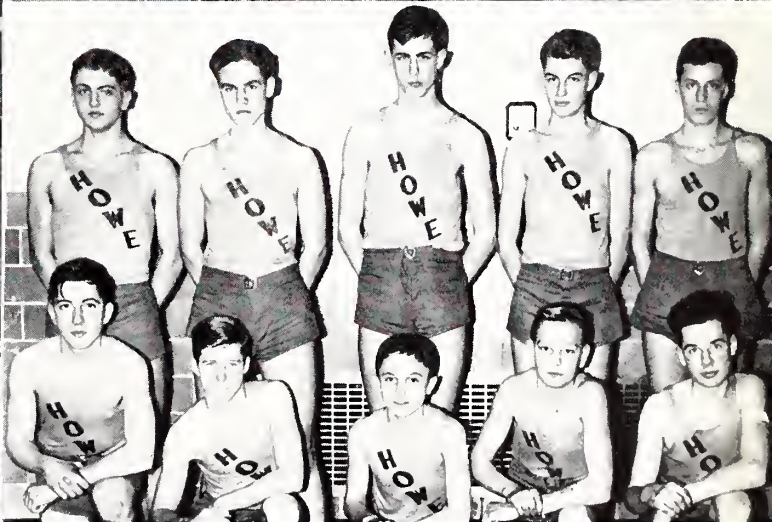

**Upper Right**—Members of Howe's first publication staff are, reading from left to right, *first row*—Mary Dannell, Anna Jane Bash, Ethelda Keiter, Betty Jane Kyle, Darathy Trautman, Peggy Gardan, Betty Harvey, Jaan Campbell, Miriam Jasper, Betty Stanebraker, and Clyde Halder; *second row*—Dara Mae Bird, Mary LaSharne, Phyllis Dukes, Juanita Gadsfrey, Mary Alys Werkhaff, Marilyn Behymer,

Ann Hollaway, Patricia Myers, Phyllis Jerome, Carla Russell, and Grace Thamson; *third row*—Hal Silver, Alan Crapa, Bob H. Brawn, Chester Gray, Johnny Thomas, Dan Clapp, Bob McMullen, Kenneth Smith, Joe Cattam, Miss Florence Guild (advisor), Principal Charles M. Sharp, Lewis W. Gilfay (business advisor), and Mrs. Ruth Morie Griggs (sponsar, who was known then as Miss Price).

**Center Right**—Do you recognize this group of musicians? You're right! This is the first school band. # JOURNALISTS LEAD THE WAY

Here they are, those go-getting, bring-em-back-alive Howeites who produce the *Howe Tower*. Evidence of their activity lies in the fact that for two years Howe has had the largest delegation at the Indiana High School Press Association convention. During the three years of Howe's representation at the convention the students have taken more awards than any other school represented.

Each year awards are presented to *Howe Tower* staff members. For each semester's service the journalists are given certificates; for two years' service they are presented bronze publications pins; and for three years' service they are given numeral pin guards.

The two *Howe Tower* staffs work alternately, each editing three issues every semester. The last edition each semester is the special product of the journalism class.

The "cubby-hole," a new feature of the paper, is edited by the Journalism Club, which is composed of two representatives from each of the freshman and sophomore English classes.

For the first four-year graduating class from the city's newest high school, a fitting yearbook was needed. Selecting "The trend is on the up-grade at Howe" as the theme, a group of Howe students set about planning such a production.

The first essential was to raise the money for the yearbook. Chester Gray, subscription manager, and Ann Holloway, business manager, successfully carried the campaign over the goal of 1,000 subscriptions.

With the financing literally assured, the staff set out on a picture-taking spree, with Bob Stitt, staff photographer, and the commercial photographer sharing pictorial honors. John Thomas, editor-in-chief; Patricia Myers, associate editor; Jean Huston, picture editor; Anna Jane Bash, class editor; Ethelda Keiter, activities editor; and Don Clapp, sports editor; each supervised the picture taking for the individual sections. Joe Pesut, staff cartoonist, drew the cartoons for the yearbook. The speed-graphic camera with which Bob Stitt took his pictures was purchased by the Howe Tower and HILLTOPPER.

Then with the aid of proportion wheels, rubber cement, and the other members of the staff, Mary Alys Werkhoff, and Lois Knapp, co-layout editors, laid out the picture panels.

When the pictures were on their way to the engraver, the trend was copy-ward, with Joan Lanman and Wanda Pflueger as copy editors.

When the proofs were returned, the pages were assembled in correct order and the proofs were carefully read. Finally a careful last minute check was made, and the assembled proof went to the printer to be run for the finished yearbook.

## MUSIC AT HOWE . . .

Mr. Frank S. Watkins and Mr. Beldon C. Leonard, music directors, are shown discussing the score for the operetta, *Norwegian Nights*.

Howe's music department has gained a reputation for excellence. Both its choral and instrumental groups have been invited to perform publicly many times.

Four years ago the department had a band, orchestra, and several choruses. Since then it has grown to include classes in harmony and music appreciation as well as the choral and instrumental organizations.

*Norwegian Nights*, an operetta based on the life of Edvard Grieg, a Norwegian composer, was presented by the choir on November 6-7. The part of Edvard Grieg was played by Ian Laing and his sweetheart, Nina, by Jo Ellen Burroughs. (See page 17 for picture.) Others in the cast were John Milam, William McClellan, Hal Silver, Cortland Shea, Dorisjeane Spiess, James Milligan, Melvin Shirey, Edward Payne, Virginia Schwarz, Betty LaMasters, Marion Mutz, Patty Delks, Alys Lawson, Betty Lou Roth, Robert Montgomery, Ruby Jordan, William Sides, Henry Wollenweber, Jack Sides, James Iverson, and William Prater. The other members of the choir played the parts of the villagers.

## ... FOR CULTURE AND APPRECIATION

With batons twirling and instruments gleaming, Howe's band led the other high school bands in the Armistice Day Parade in downtown Indianapolis.

The band has performed regularly between halves of the home basketball games and at school assemblies.

This organization has also taken part in the annual May Festival.

# Athletics for All

. . . Both spectator and intra-mural sports permit us to enjoy the thrills of competition and the benefits to be derived from training in athletics. Coach Gilfoy gives last minute instructions as the team prepares not only to win laurels for the school but to develop character by clean play and true sportsmanship.

## VARSITY ENDS SEASON WITH A RUSH

Our basketball squad put together a 12 won and 8 lost record this year for the best varsity season in the history of the school. They closed the regular schedule with a six game winning streak.

Coach Gilfoy's boys opened the season with a 32-22 decision over Broad Ripple in a game which was marred by typical first of the season errors. Jack Jones topped all scorers by making 11 points. On the following night, however, in our first regularly scheduled game ever to be played against Tech, we succumbed to a 32-23 count after leading 9 to 4 at the termination of the initial period. Following the City Tourney, the varsity fell before Shortridge by the closest of margins, 22-21.

Our keenest rival, Manual, was our last city opponent on the schedule. Playing nip and tuck all the first half, we led 24-22 at the intermission. The pause, before the outbreak, took place in the third quarter, as our Hornets scored only one point. Then came the deluge with everyone on the team tallying points as we pushed the count up 20 points so that the final score read, 45-33. Jack Buchanan and Bob Houck led the scoring parade with 12 points each. Our spell over the Redskins remains unchallenged as our varsity has yet to fall before the Southsiders.

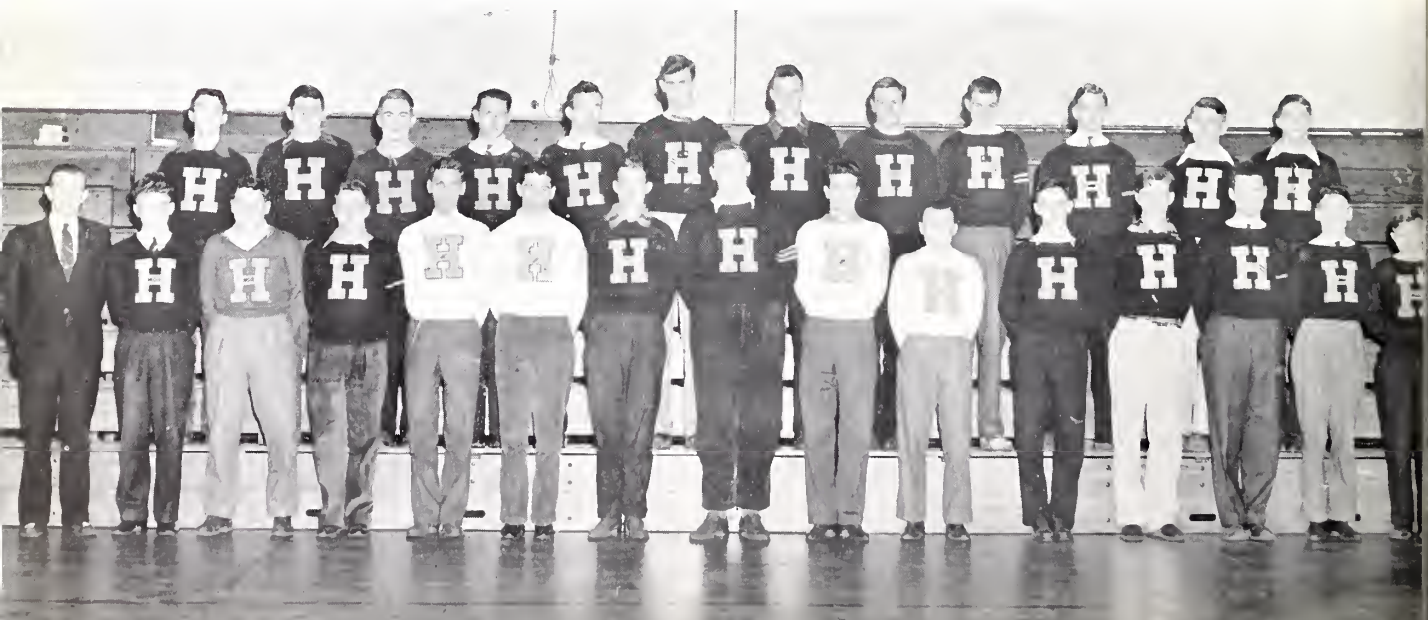

For the season, Buchanan, a junior, tallied the greatest number of points, scoring 164, while Houck and Ed Holloway trailed with 125 and 106 totals, respectively. Buchanan was honored for his outstanding play during the entire year, when he received the most valuable player trophy awarded by the Men's 400 Club.

Although this shot missed, the Hornets began hitting in the last quarter; however, the late rally fell short as Shortridge won 22-21.

## SECTIONALS

Playing their best ball of the entire season, our team defeated a favored Southport five 33-30 before losing a thrilling 33-32 overtime to Tech.

Assuming the lead in the first period of the first game of the tourney, the Hornets held command 29-17 going into the final quarter. Then with four minutes remaining, the Cardinals began a rally which with a streak of careless ball-handling by our boys almost cost us the game.

In the game with the Green and White, Jack Buchanan sent our Hornets off to an 8-5 lead at the first quarter with two buckets. This was shortened to 14-12 at the half, then Bob Evans led Tech to a 25-22 leadership at the close of the third period. After Buchanan tied the score at 29 all, Don Clapp sent our five ahead with only 20 seconds remaining. A Big Green reserve then deadlocked the score. It was Buchanan who again sent us into the fore in the overtime. A Tech basket then ended our Sectional hopes.

## CITY TOURNAMENT

After advancing to the finals of the City Tourney by virtue of a victory over Broad Ripple, our netmen fell before the attack of Washington's Continentals, 35-33 in the night tilt.

Our team met the Broad Ripple five Saturday afternoon in a game which went as expected, our team running away from the Northsiders after the initial quarter, with the final count reaching 35-13.

In a fast tilt which saw many fouls committed and roughness prevail, Washington was crowned city champ after a hard fight. At the close of the first quarter, our Hornets held a 9-7 lead. Lester Berry and Don King then conducted the Jonesboys to a 21-16 halftime leadership. Jack Buchanan and Ed Holloway led a rally in the final period which at one time closed the gap to one point, but a counter offensive in the final minutes enabled the Washington team to triumph.

## NEW RECORDS ESTABLISHED

Bob Houck, junior hook-shot artist, led the list of records broken during the past season as he shot in 7 fielders and an equal number of free throws for a total of 21 points, February 14, in the Silent Hoosier tilt. Robby Collins set the previous mark of 19 points in an encounter against Greenfield last year. Also tossed into discard on the same night was the team scoring record, established at 50 points against the Silent Hoosiers, which stood for only one year as it was raised to 53 against the same team this season.

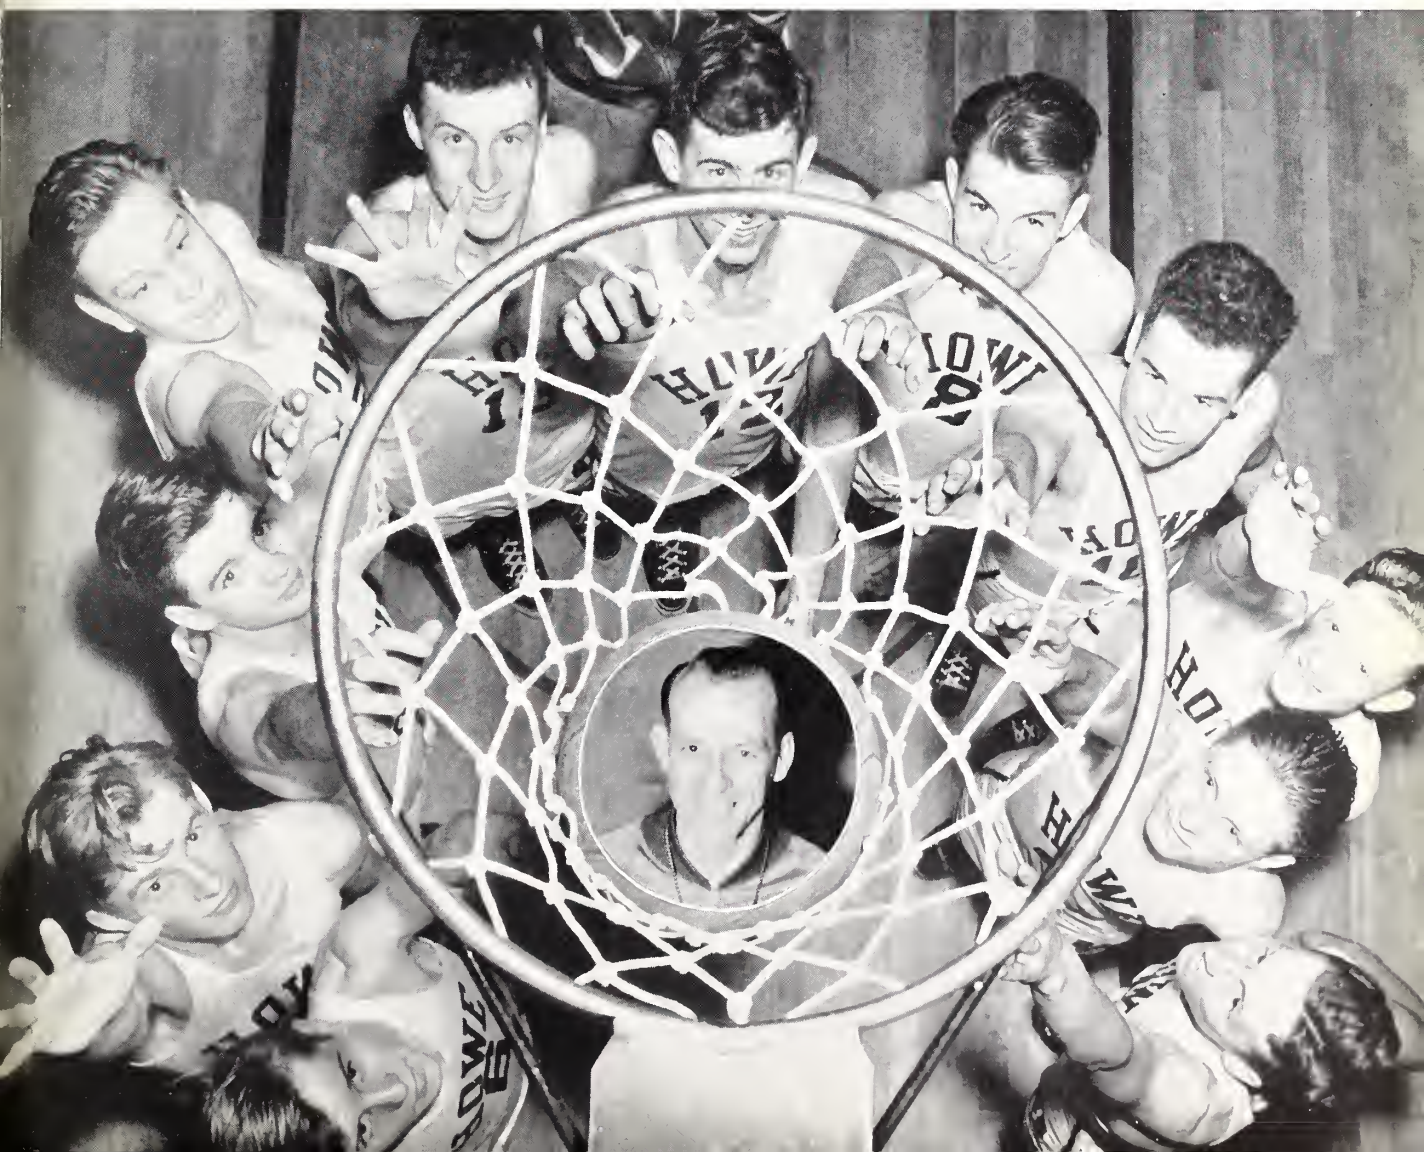

Another team record was made extinct when our hardwooders finished the season with a 12 won and 8 lost record as compared with the record of 11 and 9 hung up last season.

## KEEP UP FINE STANDARD OF PLAY

Our reserve basketballers, under the coaching of Mr. Wathen Leasor, kept up the reputation they made for themselves last year as they went through competition this season winning 14 and losing 4. They ended the season with 7 triumphs in a row. With five games remaining on the schedule Mr. Sherman Pittenger replaced Coach Leasor, who was granted a leave of absence due to illness.

Playing in the first game of the City Tourney, our team opened with an impressive 35-9 win over Broad Ripple's reserve five. In their second encounter, the boys couldn't find the range, even at the free throw line, but battling all the way, the Hornets were only beaten by a 9 point margin, 22-13. The end of the season winning splurge was made possible by some great team play and the long range shooting of Bob Cole.

Frank Fleener, who led the squad in total points, garnering 122, and Bill Watson were advanced to the varsity for the Sectionals. In addition, Bob Banks, Cole, Bill Hanafee, and Dick Whallon are prospects for varsity berths next season.

## FUTURE VARSITY HAS GOOD SEASON

During the past season Coach Samuel T. Kelley's freshmen boys turned in the best record of a frosh basketball squad in the history of the school's short existence. A combination of height, speed, and drive enabled this year's team to win 10 games while losing 6. Included on the victory side of the ledger was a win over Tech, which had one of the city's strongest teams. Another of their wins was a forfeit since Speedway had to move most of its freshmen to the reserve squad.

Arnold Koehler, tall center, led the rhinie offensive by making 111 tallies. Others showing promise as future reserve and varsity material include Captain Max Fullen, Joe Bunch, Bob Bennett, and Ed Broden.

## SECTIONAL WINNERS IN TRACK

Winners of the Southport Sectional in their second year of varsity track, by defeating Washington, defending champions, 44¼-35, our team was represented by seven men in the State Finals at Tech. They were Ralph Toney, Leroy Bartlett, and Alan Crapo, dashmen; Art Graham and Joe Morrissey, hurdles; David Phelps, pole vault; and Bartlett, Don Durbin, Morrissey, and Toney on the half-mile relay team.

In addition to this, our track team finished a close third in the City Meet, made a good showing in the Southport Relays by scoring 11½ points, and compiled a season's record of seven wins and but three losses, while the half-mile relay team remained unbeaten until the State Finals in which they won laurels by taking fifth place.

Capturing more first places than any other school, our Hornets came within 11 points of Tech, the champions. Toney was high scorer for the meet with 12½ points, while Graham stood out with eight points.

Consistent scorers on the squad included Art and Bob Alexander, Jim Wade, Dick Dobbs, Ed Andrews, Floyd Bicknell, Bob Mannfeld, Bob Winter, Jim Iverson, and those who ran in the State Meet.

The season's record follows: Howe-99¼, Pendleton-35¾; Howe-74, Southport-61; Howe-91, Greenfield-24; Howe-85, Shelbyville-30; Howe-111, Markleville-36, Broad Ripple-18; Howe-56, Washington-61; Howe-50, Warren Central-67; Howe-78½, Silent Hoosiers-18½; Howe-54, Bloomington-55.

In meets with Tech, Shortridge, and Washington our freshmen failed to win a victory.

## HOLD FIRST ANNUAL ALL-CITY RUN

Howe's thinly-clads captured second place in the first annual All-City Cross-country Championship Run held on the Howe course after compiling a season's record of four wins, three defeats, and a tie in a triangular meet.

Mike Mascari of Manual had the distinction of being the first individual winner as he toured the course in 9 minutes, 7.8 seconds. Bob Mannfeld followed Mascari to the finish and received a medal along with Bob Banks of Howe, who also finished in the first ten.

After losing the first two meets of the season to Manual, 28-27, and to Southport, 31-24, the Hornets ran in a triangular run in which they tied Ben Davis at 30 and won over Broad Ripple, whose point total reached 60.

Following a 25-30 loss to Warren Central, Mannfeld led in a 19-36 defeat of Washington. Our Eastside rivals, Tech, were downed next, 23-32. As the final warm-up before the All-City Meet, our harriers journeyed to Bloomington and came off with their third straight win, 22-33.

Manual was too much of a powerhouse in the Howe-sponsored All-City Meet as we came in second with a 53 point total as compared with the victors' 24. The other schools finished in the following order: Washington 73, Tech 76, and Broad Ripple 99.

At the close of the season Mannfeld and Floyd Bicknell were elected co-captains.

## WITH OUR GOLFERS ON THE LINKS

Scheduling some of the strongest teams in central Indiana, our golf team had a record of five wins, five defeats, and one tie last spring.

Highlighting the season was a trip to Bloomington, where our linksmen engaged the local golfers. A  $4\frac{1}{2}$ - $7\frac{1}{2}$  defeat was the result of the trip. In city competition a 7-5 victory was scored over Shortridge in revenge for two previous  $1\frac{1}{2}$ - $10\frac{1}{2}$  losses which had been suffered from the Blue Devils. Another local loss was absorbed from Tech's foursome, 4-8. Other meets resulted in victories over Southport, 8-4 Franklin,  $8\frac{1}{2}$ - $3\frac{1}{2}$  and 9-3; Speedway,  $11\frac{1}{2}$ - $\frac{1}{2}$ , while a 3-9 defeat and a 6-6 tie were received at the hands of Bloomington and Greencastle, respectively.

Bill Hanafee was the season's medalist with a 79. Those who competed in the matches were Leland Dickerson, Arnold Koehler, Dick Bowsher, and Hanafee.

Their season's record and good showing in the State Meet at Speedway may be traced to the fine coaching of Mr. Fred C. Lemley and constant practice on the Pleasant Run course.

LOWER LEFT—Medalist Bill Hanafee hits one straight and true while Coach Fred C. Lemley watches with approval. Fellow golfers are: Bob Stanfill, Dick Bowsher, Arnold Koehler, Leland Dickerson, Ed Braden, and Jae Wilson.

## G. A. A.

The Girls' Athletic Association offers a wide variety of activities to our sports-minded girls under the direction of Mrs. Ruby Lou Hoff. The aim of the organization is to encourage good sportsmanship and healthful living and to cultivate closer companionship among the girls.

Through intramural softball, ping pong, volleyball, archery, basketball, and newly organized badminton, girls earn points to be applied on G. A. A. awards. Good results on physical tests and participation in outside of school activities are other means of gaining points.

## Here's how we did it . . .

From February 1941 to April 1942—that's 14 months. Yes, for 14 months the 14 members of the 1942 HILLTOPPER staff worked and schemed to make Howe's second year-book.

In February 1941 we started planning the "Rainbow Ball," one of two annual night dances, which were great aids in financing the book. Before June we had a fairly definite theme. One scorching July day several of us met to work on the dummy.

The top picture shows Jean Huston and Don Clapp, picture and sports editors, figuring layout proportions.

Next, Mary Alys Werkhoff and Lois Knapp, co-layout editors, trimmed and mounted pictures for engraving. This was an October to February job.

Undoubtedly all seniors recognize Mr. Charles Porter who has just told a photogenic victim to say, "Peaches." Bob Stitt, our school photographer, is reloading the Howe Speed-Graphic and below him is Mr. William Watson, from the Ramos-Porter Studio, who "shot" all home rooms, and many activities.

In the next picture the editor and associate editor watch an engraver at work. Mr. Fred Noer and the Indianapolis Engraving Company were of great assistance in planning and producing our yearbook.

Our business staff, Ann Holloway and Chester Gray, are shown the inside story of printing by Mr. Ralph Klare at Clarence Crippin and Son, printers.

Choosing the perfect cover for our book was a real problem. The last picture shows Ethelda Keiter, club editor, and Anna Jane Bash, class editor, viewing our choice, a product of Kingsport Press Inc., Chicago.

Through those 14 months of toil we had the help of Mrs. Ruth Marie Griggs, without whose ideas and guidance our book could never have been completed.

We thank the E. R. Moore Company of Chicago for the caps and gowns we used in the graduation picture; Mr. Merle Wimmer, sponsor of the Howe photography staff; Miss Anna K. Suter, who often came to our assistance with her mathematical wizardry; and Miss Florence Guild, who advised us on technical English and literary style.

Now, here you have the result, the 1942 HILLTOPPER, of which we are proud. We hope that you enjoyed reading and looking at it as much as we enjoyed producing it.
